1. Welcome to Wentworth Institute

Wentworth Institute was named after the famous Australian, William Charles Wentworth (1790-1872). He achieved a lot in his lifetime: he was an explorer who crossed the Blue Mountains with two other men (Blaxland and Lawson) in May 1813; he led the struggle for responsible government, achieved in 1856; he started up a newspaper called 'The Australian' in 1824 which was the first free press in Australia; he wrote the first book by an Australian and most importantly he pioneered primary and University education in Australia.

It is quite significant then, that we named our educational organization '**Wentworth Institute**' after a man who was an explorer, pioneer, writer, lawyer, innovator and notably an educator.

Student Handbook

This handbook will provide you with information concerning your study with us. If you have any questions you will be able to ask your teacher or the ELICOS coordinator, and we will always endeavour to assist you in any way we can.

At your Orientation we will discuss your obligations as a Student Visa holder and the need to come to your classes for the 20 hours each week, so that you make progress in learning English, to achieve your goals.

The institute is here to help you learn English and help you understand and settle into the Australian way of life. We want your stay with us to be happy and we encourage you to make new friends, to study hard and make your time in Australia worthwhile.

4. Your student rights and responsibilities

Wentworth Institute aims to provide you with an excellent opportunity to study learn and develop your skills in a safe and supportive educational environment.

As a student at Wentworth Institute, you have access to a range of support services including helping you understand your rights and responsibilities. Firstly you need to be aware of the conditions of your student visa in relation to studying at Wentworth Institute.

4.1 Code of Behaviour

While you remain a student at Wentworth Institute, it is your responsibility to:

- Attend class regularly and punctually
- Conduct yourself in a safe and healthy manner.
- Refrain from smoking anywhere in the institute building
- Ensure no discriminatory, harassing or bullying behaviour to other students, staff or visitors to the institute.
- Refrain from unacceptable behaviour, including the use of bad language, alcohol and drugs
- Refrain from the use of devices which may disrupt class's e.g. mobile phones.

Not upholding the Code of Behaviour will result in the cancellation of your enrolment. Erratic attendance and erratic progress will identify you as a non bona-fide student and are grounds for the cancellation of your enrolment ([Standard 8 National Code](#)).

4.2 Attendance

- a. Your overseas student visa requires that you attend **100%** of your classes over the period of your CoE. If you cannot attend class, please explain the reason to your teacher, if possible, before the next class starts.
- b. If you are 15 minutes late for class e.g. late for lesson 1, you may not be permitted to enter the classroom. In that case you must wait for the next lesson e.g. lesson 2 to begin. You will be counted absent for lesson 1 (i.e. = 1 hour)
- c. If you are absent for three days or more, a Medical Certificate or evidence of other exceptional compassionate circumstances beyond your control should be obtained as evidence of the reason for your absence.

NB Attendance is recorded systematically (including non-attendance due to illness, evidenced by a medical certificate, or other exceptional compassionate circumstances beyond the control of a student. Reference: [Standard 8 the National Code 2018](#).

- d. Attendance is recorded for every session of your course. The Student Attendance Manager maintains the Attendance Records in consultation with your teacher.
- e. The WIN management system automatically monitors attendance records weekly for non-attendance.
- f. If you are absent for *two consecutive days* without providing a reason in writing to the institute (with the relevant Medical Certificate), the institute will contact and counsel you about attendance. This action is recorded on your student file.
- g. If you are absent for *five consecutive days* without formal advice of the reason for your non-attendance (including when relevant, a Medical Certificate), you will be issued an **Intention to Report** to the Department of Home Affairs. You will be given 20 working days to access our internal complaints and appeals process. If you access our internal complaints and appeals process, the suspension or cancellation of your enrolment can not take effect until the internal process is completed, unless extenuating circumstances relating to your welfare apply. This means you must continue to attend classes until you are either reported or the decision to report you is overturned.
- h. If you attend class irregularly, the Student Support Services Manager will counsel you about the requirements to attend. This is recorded in your student file.
- i. If irregular non-attendance rises to more than 20% at any time during your course, the institute is obliged to notify the Department of Home Affairs via PRISMS of your failure to meet your visa conditions. This notice is emailed to you and a copy is attached to your student file.

- j. All non-attendance approved by the institute is also recorded in your student file.
- k. If your attendance **falls below 90%** you will receive a **Warning Letter** reminding you of your obligations for your visa and you will be asked to come in and speak with Bree, the Student Support Services Manager, about the situation.

If you fail to attend the session with Bree you will be notified via email that you failed to attend counselling you may be identified as a "non bona-fide student" and be reported to the Department of Home Affairs.

- l. If your **attendance falls below 80%** you will be sent an **Intention to Report** you to the Department of Home Affairs. You will be given 20 working days to access our internal complaints and appeals process. If you access our internal complaints and appeals process, the suspension or cancellation of your enrolment can not take effect until the internal process is completed, unless extenuating circumstances relating to your welfare apply. This means you must continue to attend classes until you are either reported or the decision to report you is overturned.

Course Attendance Monitoring Table		
	Formal warning letter	Actions
Attendance falls below 90%	1	Warning letter
Attendance Counselling not attended ----Report to Department of Home Affairs as a non-genuine student		
Attendance falls below 80%	Intention to Report	Intention to report within 6 weeks. Appeal within 20 working days? Report to Department of Home Affairs via PRISMS.

4.3 Completion within the expected duration of study policy

WIN will uphold [Standard 9 of the National Code 2018](#):

- To monitor the enrolment load of students at all times to ensure they are able to complete the program within the duration specified on their Confirmation of Enrolment (CoE);
- To only extend the duration through the issuing of a new CoE in limited circumstances (compassionate or compelling circumstances following the

implementation of an intervention strategy, or where a deferment or suspension of study has been granted.

Note: Deferring for a semester to go home to be married is not normally considered to be a compassionate or compelling circumstance which is beyond the control of a student. It is recommended that students plan weddings during semester breaks. Students should speak to the Head of Operations before making wedding arrangements.

Compassionate or compelling circumstances are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing. These could include, but are not limited to:

- serious illness or injury, where a medical certificate states that the student was unable to attend classes;
- bereavement of close family members such as parents or grandparents;
- major political upheaval or natural disaster in the home country requiring emergency travel when this has impacted on the student's studies; or
- a traumatic experience which could include:
 - involvement in, or witnessing of a serious accident;
 - witnessing or being the victim of a serious crime when this has impacted on the student.
(these cases should be supported by police or psychologists' reports)
- where the registered provider was unable to offer a pre-requisite unit; or
- inability to begin studying on the course commencement date due to delay in receiving a student visa.

1. Student is enrolled as per the Letter of Offer, Student Agreement, CoE and visa. This establishes the planned study load. Enrolment will not exceed length of registration of the program on CRICOS.
2. If a student cannot complete their program within the required duration, they may:
 - Request an extension of their CoE by completing a Request for Extension of CoE (for compassionate or compelling circumstances as listed above) or
 - Be identified at the end of the Study Period (10 weeks) as being at risk of not making satisfactory course progress and placed on a monitoring program for course progression ([Standard 8](#)), or
 - Defer, suspend or cancel their enrolment ([Standard 9](#))
 - Defer, suspend or cancel their enrolment ([Standard 9](#)) if a course/unit is not able to be offered
 - be placed in a monitoring program if they have failed a unit: e.g.
 - attend an academic skills programme;
 - attend a tutorial or study group;
 - receive individual case management;
 - attend a study club;
 - attend counselling;
 - receive assistance with personal issues which are influencing progress;
 - receive mentoring;
 - be placed in a suitable alternative subject within a course or a suitable alternative course; or
 - A combination of the above and a reduction in the course load.

- Changes in the study load will require an extension to the duration listed on the CoE.
3. Student is advised of impact of extending duration of study due to variation in the student's enrolment load which requires the need to issue a new CoE and the requirement of reporting this to the Department of Home Affairs. Student is advised to complete the Student Visa Extension application form.
 4. Records of notification /form are kept in the Student's file.
 5. Report to the Department of Home Affairs via PRISMS any changes to CoE. Reporting the student (issuing a new CoE) occurs as soon as WIN knows the student cannot reasonably complete his or her program within the expected duration as specified on the student's CoE.

Note: If a student received credit after arrival, upon enrolment a new International Student Offer and Acceptance Agreement will be issued. The new Student Agreement will be signed and the length of the CoE will be reduced via PRISMS.

Where a student finishes a course early, WIN will be required to notify this early completion to the Department of Home Affairs via PRISMS. The Student will also be notified of this intention to report.

4.4 Completion within the expected duration of study policy

WIN will uphold [Standard 8 of the National Code 2018](#):

- To monitor the enrolment load of students at all times to ensure they are able to complete the program within the duration specified on their Confirmation of Enrolment (CoE);
- To only extend the duration through the issuing of a new CoE in limited circumstances (compassionate or compelling circumstances following the implementation of an intervention strategy, or where a deferment or suspension of study has been granted).

(these cases should be supported by police or psychologists' reports)

4.5 Contact Details

- a. **It is your responsibility to provide the institute with your accurate and current Australian residential address and mobile telephone number (if any) and an email address (if any).**
- b. If there is any change to your Australian residential address or telephone number, it is your responsibility to notify the institute immediately.

4.6 English Performance

- a. The institute is obliged to keep a record of your English performance for your course requirements.
- b. You can review your English performance record at any time. Please ask the Teacher or Coordinator for access to your English performance record.
- c. Your English performance record may be required by Department of Home Affairs to verify that you satisfy student visa requirements relating to your studies.

4.7 Independent Study

Students can access learning materials for use at WIN. These materials are stored on Level 3 for EAP and General English students. Students may borrow textbooks, study guides, and literature or work with resources from the internet. A list of suitable website pages can be emailed to a student on request. There is also a Library on Level 1, 302-306 Elizabeth St where the Librarian will be able to assist you. Please see your teacher or the coordinator to access these facilities out of class hours.

4.8 Holidays

You may only take holidays on official holiday breaks and cannot miss classes due to taking holidays different from your course.

4.9 Work

Department of Home Affairs regulations for student visas permit you to work for up to **20 hours maximum per week** while you are studying. During holiday periods you may work for longer periods.

5.0 Accommodation

Wentworth Institute does not provide accommodation assistance. Accommodation for students can range from:

5.1 Home Stay

Homestay is an excellent accommodation option, especially for students who want to live with local families who are familiar with Australian culture and values. Students have access to local knowledge and can therefore make better use of their time while studying. Host families provide an agreed number of meals a day.

WIN recommends Meridian Homestay Services for Homestay accommodation. www.mweridianhomestay.com.au, or email MHS@meridianhomestay.com.au or phone +61 2 9909 2960.

If you have any questions or any doubts during your stay, speak to your host family first. Do not worry about English, your host family will try to understand you and try to help you as much as they can.

Usually the telephone bill is not included in the Homestay fees. You must have permission from your home stay family when you wish to make a phone call. We recommend that you acquire a mobile handset. There are many plans and options available both pre-paid and post-paid to suit every budget and circumstance. (Tip: The cheapest unlimited pre-paid plan using the better Telstra network is Boost. Also consider Lebara.)

Many students choose to stay with a family for a short period of time and then move to shared accommodation once they have settled in.

5.2 Backpacker

Backpacker-style accommodation will cost you about \$150 Per Week.

The information provided here is intended as a guide only and does not constitute advice nor should it be relied upon as constituting advice by WIN or its representatives.

<http://www.hostelbookers.com/hostels/australia/sydney/>

5.3 Share Accommodation

Students who wish to stay with others in a rented house, apartment, flat or condominium can expect to pay about \$150 to \$250 each week for rent.

On top of this they will have to pay for the use of gas and electricity and some landlords will charge for the use of water. When you rent you pay a bond and sign a tenancy agreement. This agreement will tell you how many people may live at that property. If you exceed that number, you will be made to leave and you may lose your bond money.

As a rule, Sydney City Council will only allow a maximum of 2 people or 2 beds (not including cots) to a bedroom in newly built buildings.

For information about your rights as a tenant, see

9.0 Student Complaints and Appeals

Complaints, Grievances, Disputes and Appeals Policy & Procedures

WIN recognises that differences of opinion or grievances can happen from time to time. Students with a problem, complaint, dispute, grievance with another student, their trainer, the course content, the facilities or any component of the course should use the following procedures.

Definitions:

- A *grievance* is a feeling of resentment over something believed to be wrong or unfair.
- A *complaint* is an expression of discontent, regret, pain, censure, a lament or fault finding.

A complaint may include, but is not limited to:

- Course advice and enrolment
- Suspension and/or cancellation of enrolment
- Course delivery
- Marketing and promotional activity
- Personal safety
- Customer service and administration
- Issue of results, certificates, statement of attainment
- Learning resources
- Fees and charges
- Equity and access, discrimination, harassment and bullying
- Complaints from third Parties including but not limited to education and migration agents

- *Feedback* is information given and received to help people and organizations grow. Wentworth Institute invites feedback so that we are able to change what needs to be changed and improve our processes so that the education experience for students and staff is a positive one. Wentworth Institute gathers feedback from students, agents & staff constantly and this feedback is generally reported, recorded and acted upon at the monthly staff meetings.

Students are welcome to give feedback at any time. This can be via email or a simple discussion with any member of staff and is usually not formalized unless requested. Wentworth encourages feedback with all interactions but encourages students and staff to try to keep feedback constructive so that positive outcomes can be more readily assured.

Grievances:

Wentworth Institute is committed to providing students, staff and stakeholders the best possible environment in which to study or work. The Institute understands that on occasion, there may be instances of dissatisfaction and acknowledges that the cause(s) must be addressed and rectified promptly. Grievances will be heard verbally and can be disclosed to any member of staff who will endeavour to fix any grievance before it becomes a complaint.

Students should be aware that whilst Wentworth Institute tries to ensure everything is satisfactory for our students but because of practices in different cultures, student pressure or Government regulations, some dissatisfactions (grievances) can occur. We ask that the student please talk to a member of staff first and provide us the opportunity to change, be a little patient and give us time to accommodate

student concerns. If we are not able to address your concerns you may wish to escalate your grievance to a formal complaint.

Complaints & Appeals:

If the student wishes to escalate their grievance to a formal complaint, the following procedures will apply.

- In such instances, Wentworth Institute invites feedback from the dissatisfied party so that a resolution can be found and as an opportunity to consolidate the feedback into a review and improvement of Wentworth Institute's policies and procedures.
- Wentworth Institute will address any and all complaints in a fair, constructive and timely manner. The complainant has the right for their complaint to be heard and for an impartial decision to be made at no cost to themselves. Complainants have the right to appeal a decision.
- This policy and associated procedure supports Wentworth Institute in providing a process for complaints and appeals to be heard and actioned. All complaints and appeals received by Wentworth Institute will be viewed as an opportunity for improvement.
- WIN complaints and appeals processes are independent, easily and immediately accessible and inexpensive for the parties involved.
- WIN notifies students and staff in the policies and procedures manual/student handbook of its policies and procedures regarding complaints and appeals. This complaints and appeals process also forms an integral part of induction and orientation (student and staff). Please note that the external complaints and appeals entity may be a different body if you're local or international.
- Complaints and appeals need to be in writing (email) and will need to be substantiated (some evidence, statements, specified times dates and names will need to be disclosed)

Receipt of complaint or appeal

Wentworth Institute will acknowledge receipt of all complaints or appeals. This will be with email or letter or sign-off (and photo-copied for the student to keep as a receipt) in the case of written submissions of complaints or appeals.

FLOW CHART OF PROCEDURES FOR HANDLING GRIEVANCES FROM INTERNATIONAL STUDENTS

Complaints Handling Substantiation

WIN has a clear policy on handling complaints from students, staff and stakeholders. WIN is committed to ensuring that the organisation's policy is fulfilled. The procedure of this policy is:

- Receive the complaint in writing with date, signature and proper details of the complaint.
- Report the complaint initially to the Head of Operations.
- Head of Operations handles the complaint without any prejudice.
- If required, the Head of Operations informs the Managing Director.

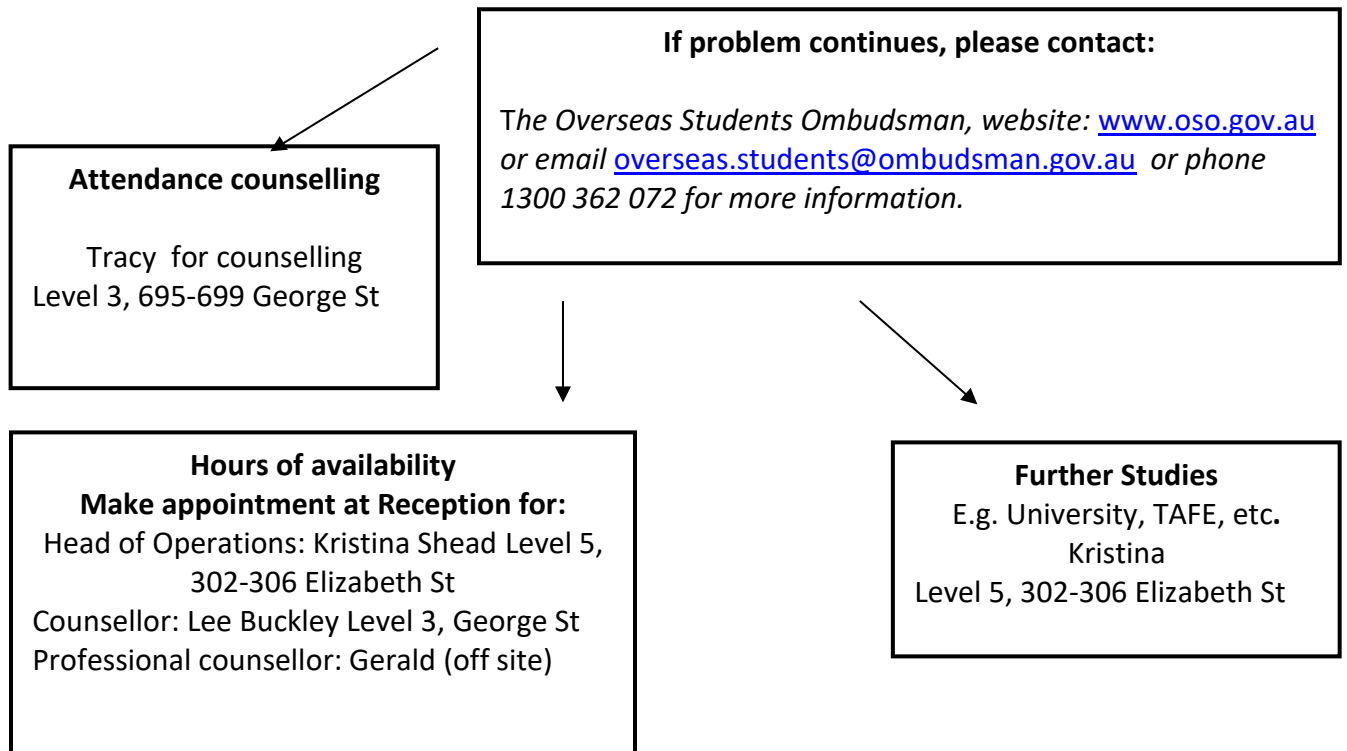

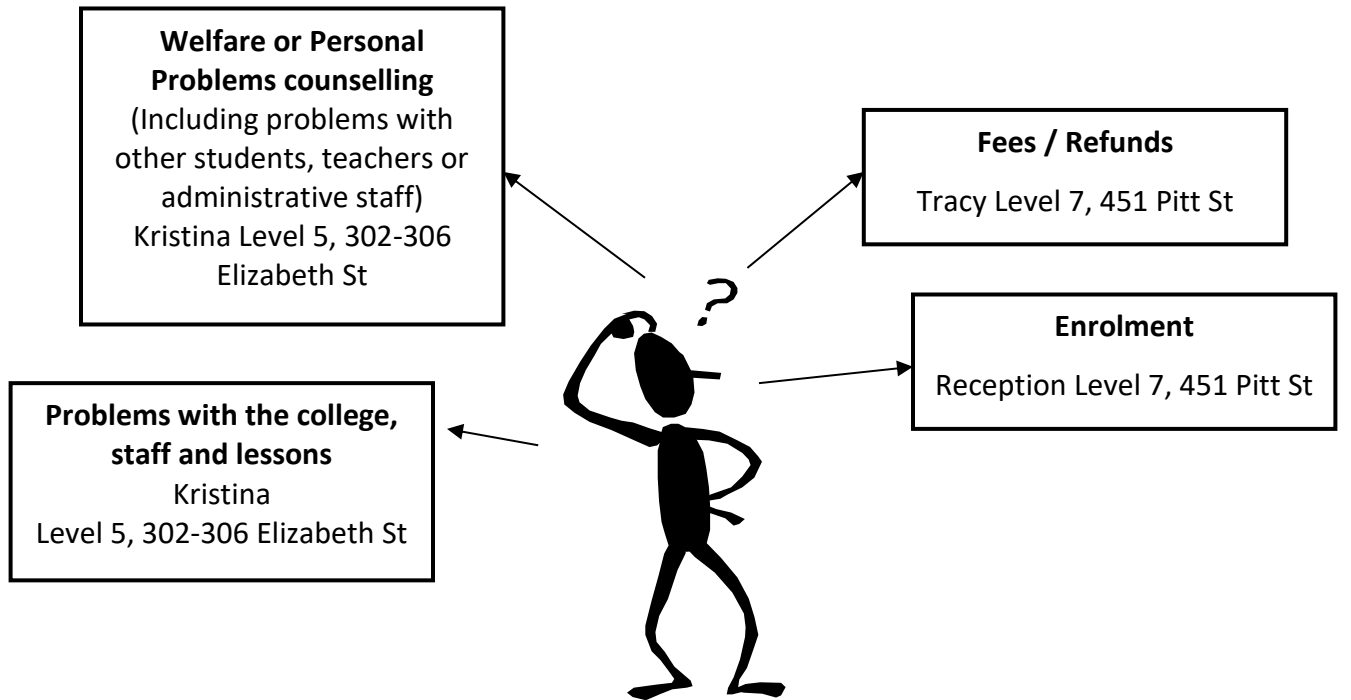

- If further is required, an investigation is carried out.
- Initially a resolution should be attempted on a one to one consultation.
- If not resolved proper investigation should be carried out and documented.
- If WIN has to rectify its own policy and procedures, WIN must act immediately. If the matter is between staff and stakeholders and staff and students, the matter should be dealt with accordingly.
- Utmost attempts should be made to resolve the issue in a manner so that all parties feel a win-win resolution.

Disciplinary Action Procedure

Students are expected to follow all policies and procedures outlined in the Student Handbook so that all may benefit. Student enrolments or CoE's may be either suspended or cancelled for breaches of WIN Policy and Procedures, non-payment of fees or breaches of your Visa requirements.

The Academic Manager (or delegated nominee) may suspend a student or recommend expulsion as a result of unsatisfactory academic progress; plagiarism; facilitating other students to cheat on assessments; and student behaviour that intentionally disrupts or interferes with education, administrative or operational activities.

1. Commonwealth Bank of Australia. www.commbank.com.au
2. Westpac Banking Corporation. www.westpac.com.au
3. National Australia Bank. www.nab.com.au/

18. Transfer to another ELICOS course

You cannot transfer to another ELICOS course before you have completed six months of your course with WIN, unless:

- WIN has ceased to be registered
- WIN has provided a *Letter of Release* (NB No *Letter of Release* required after Jan 1 2018) or
- WIN has had an sanction imposed upon it by the Government that prevents you completing your course or
- Your government sponsor considers the change to be in your best interest and has provided written support for that change.

To apply for a transfer to another ELICOS course you must follow the following procedure:

- Provide four weeks' notice to WIN of the transfer
- Provide a letter to WIN stating why you would like to transfer
- Transfer can only be taken after an initial 5 weeks of study at WIN
- Tuition fees may differ at other ELICOS courses; you will be informed and must agree to pay the difference
- Before the transfer is approved, you must have received acceptance confirmation from the other institute.
- If you wish to make any changes to your transfer request after the documents have been processed, you are required to pay \$150 administration fee.
- You must check that your attendance rate will still be at least 80% after the original course is shortened.

WIN will not grant your request for a transfer in circumstances where WIN is of the opinion that transfer to another registered provider would be detrimental you. WIN may form that opinion for reasons including the following:

- You have not commenced your principal course at WIN or the request is made less than 4 weeks after you commenced your principal course at WIN.
- WIN believes that transfer may jeopardise your progression through a package of courses.
- WIN believes that you are trying to avoid being reported to the Department of Home Affairs for failure to meet attendance or academic progress requirements. Teachers will monitor student academic results on a subject and term basis (the end point for monitoring course progress)
- WIN believes that the provider and/or course to which you wish to transfer are not of the same standard as WIN.

WIN will not grant your request for a transfer if you owe any course monies or other amounts to WIN. A request for a transfer must:

- be in writing
- include all relevant information concerning the reasons for your request
- include documentary evidence acceptable to WIN that supports the reasons for your request, and
- must include a valid *Letter of Offer* that identifies the registered provider and course to which you wish to transfer. (Such information must include full particulars of name, address and CRICOS codes for the provider and course).

If WIN decides not to grant a transfer, WIN will, within 15 working days of receipt of the written request for a transfer, provide you (the overseas student) with written reasons for refusing the request. It will inform you of your right to appeal WIN's decision in accordance with WIN's appeals policy.

WIN will keep records of your request for a transfer and the process used to make a decision in relation to requests. Refunds arising from the transfer of an overseas student to another registered provider shall be determined in accordance with the WIN Refund Policy.

Tips For Successful Of English Studies!

Speak English outside the institute as much as you can – in shops, on the bus or train!

Try to mix with students of other nationalities at the weekend and in the evening.

Make opportunities to practise! Ask a question even if you know the answer.

Try to find some activities or interest, which will give you a chance to practise e.g. learn a sport, go to an art class, or join a

club. Try [meetup.com](https://www.meetup.com).

Read a newspaper as often as you can. Your teacher can help you join the local library.

Listen to the radio, watch TV, read advertisements and posters and signs. English is all around you!

Don't worry about feeling shy or making mistakes. Mistakes are not nearly as important as you think and a smile can help you a lot. Remember everyone feels shy at first. You are not alone!

We want you to enjoy your time at Wentworth Institute.
