WENTWORTH INSTITUTE
OF HIGHER EDUCATION
CRICOS CODE 03279M

WELCOME TO WIN COMMUNITY

As Dean of the Wentworth Institute of Higher Education (WIN) and with many years' experience in the delivery of undergraduate and postgraduate degree programs in Australia and abroad, I am committed to ensuring that all our students receive a quality education in a safe and friendly environment. Our lecturers are not only academically well qualified but also demonstrate relevant industry experience and are therefore able to produce graduates who are well prepared to enter their chosen careers.

We offer three main undergraduate degree programs. Our Bachelor of Interactive Media (BIM), with Majors in Animation and ICT, provides the foundation for not only a successful career within the creative industries but most importantly establishes a foundation of learning upon which graduates will be facilitated to grow and develop throughout their professional lives. Our Bachelor of Business, with its industry relevant broad suite of subject offerings, provides the ideal basis for a career in management and all types of business. For those seeking a professional qualification in accounting, our Bachelor of Business (Professional Accounting) has been accredited by the relevant industry professional bodies, CPA Australia and the Chartered Accountants Australia and New Zealand. Both WIN's business degrees offer Majors in Human Resource Management (HRM) and Information Systems (IS) which are expanding employment areas.

A distinguishing feature of the courses offered at the Wentworth Institute (WIN) is the possibility for accounting and business students to acquire valuable knowledge in the fast growing and job rich creative industries through their choices of electives. Students in the Bachelor of Interactive Media are likewise able to acquire much needed business skills. This rich learning combination, very relevant to the contemporary job market, is offered to students at the WIN premises ideally located at Central Station in beautiful Sydney within the creative hub of Surry Hills.

We also offer Master of Business and Master of Professional Accounting degree programs with nested postgraduate Diplomas and Certificates. Our Masters Degrees consist of sixteen subjects and would normally be undertaken over four semesters of full-time study. The nested Graduate Diplomas consist of the first eight subjects within the Masters, while the Graduate Certificates consist of the first four subjects within the Graduate Diplomas. These postgraduate courses are approved by TEQSA and our Master of Professional Accounting has been accredited by the professional accounting bodies in Australia. Our undergraduate

Our degrees can be undertaken on a part-time or full-time basis and we are very focused on assisting and postgraduate courses are theoretically sound and industry relevant with an emphasis on ensuring graduates demonstrate the learning outcomes needed to pursue successful careers. students to balance their paid work and study demands. Please help you to build your future career success.

Dr Keri Spooner
Dean of Higher Education

WIN BOARD OF DIRECTORS

The Board of Directors at the Wentworth Institute of Higher Education (WIN) is comprised of industry, government and academic leaders who are committed to ensuring the quality of your learning and other experiences whilst studying at WIN. This is achieved through ongoing monitoring of all aspects of your teaching, learning and social environment at WIN as well as through our strategic leadership directed to ensuring the contemporary relevance of your programs of study.

Through the provision of industry relevant, innovative and affordable quality education courses, Wentworth Institute of Higher Education (WIN) aims to address the learning needs of domestic and international students and, in turn, the future needs of the industries in which they will be employed across the globe.

WIN undergraduate programs provide exciting core and elective interdisciplinary courses in Interactive media, Business and Professional Accounting. WIN offers post-graduate programs in Business and in Professional Accounting at Graduate Certificate, Graduate Diploma and Masters levels. Your studies will develop the latest skills and knowledge delivered in well-equipped lecture and studio settings. Our programmes encourage collaborative learning, simulate business case studies and real industry projects.

All of our courses have been developed and reviewed with close links to industry so that you can gain relevant and sought after skills. Our courses are designed to lead to successful and fulfilling careers in various fields, both in Australia and in the global market place and are delivered at a level of learning to satisfy the requirements under the Australian Quality Framework (AQF). Our programs have been designed to integrate study with professional output through our partnerships with industry. Your assignments

will be directly related to your chosen industry requirements ensuring that your work is both relevant and at the cutting edge of current developments in your industry.

Industry-experienced lecturers have been drawn from surrounding universities to join WIN. They are attracted to WIN because it is innovating and developing a reputation for strong links to new businesses and growth industries in Australia and globally.

Our staff are accredited human resource specialists, practicing accountants, registered financial advisers, marketing and advertising specialists business owners in diverse fields, film producers, games designers, animators, graphic designers and directors. They are passionate about what they teach and are committed to developing articulate and uniquely creative graduates.

At the core of our interdisciplinary educational process is individualised attention from our faculty, along with access to a full range of up to date facilities including our dedicated student computer labs. Our modern teaching facilities are conveniently located close to public transport and to Central Railway Station, ensuring you are easily able to attend our Institute.

We offer Recognition of Prior Learning (RPL) in all of our higher education courses. RPL is the assessment process for recognising competencies gained through previous learning, work and life experiences. You can apply for RPL before your enrolment if you believe you have already studied a subject or can show that you already know the subject matter at the level required under the AQF.

For our International students, we are committed to providing you with a valuable educational experience together with unique support services to ensure you adjust to life in Australia. Our Campus has a friendly atmosphere in which we offer every opportunity for you to reach your potential. Most of our staff have worked overseas and understand the delights and challenges of living in a new culture. WIN Higher Education puts its students First!

We are all committed to establishing a welcoming and caring knowledge community which you can join and where you will prosper. We invite you to discover the full range of opportunities offered by WIN Higher Education and hope you will then take the next step to contact us, or visit our website to glimpse student life at Wentworth Institute of Higher Education.

Our higher education degrees are accredited through the Australian Tertiary Education Quality and Standards Agency (TEQSA). All courses are registered with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

ABOUT WIN

Welcome to Wentworth Institute of Higher Education.

Wentworth Institute of Higher Education is located opposite Central Railway Station and is distinguished by its small classes and support for the individual student. Wentworth Institute provides high quality tertiary education at undergraduate and postgraduate levels in business and interactive media programs of study.

Wentworth Institute's mission is to provide industry relevant and innovative higher education courses to address the learning needs of committed students and, in turn, the future needs of the businesses and industries in which they will contribute their values, skills and knowledge.

Our degrees are accredited by the Australian Government's Tertiary Education Quality and Standards Agency (TEQSA) and by the relevant professional bodies. All our courses were developed in close collaboration with industry so that students can gain relevant and sought-after skills. Our courses are designed to lead to successful and fulfilling careers in various fields, both in Australia and in the global market place.

We are committed to providing a valuable educational experience in a friendly atmosphere, with student support for academic studies and personal issues so that every student has the opportunity to reach their potential.

WIN CAMPUS

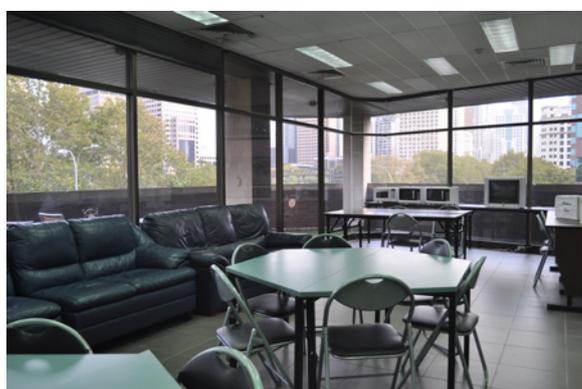

Wentworth Institute of Higher Education (WIN) is ideally located at 302 Elizabeth Street Surry Hills on the corner of Foveaux Street and right opposite Sydney's Central Railway Station.

The Eastern Suburbs light rail as well as many buses are also in close proximity. The surrounding area is a busy creative business hub in Sydney with lots of people, restaurants, cafes and even hotels.

The area is generally recognised as the creative hub of the city.

Most importantly student diversity is recognised, respected and protected at WIN as evidenced by its quiet spaces for study, reading and prayer as well as its open social spaces facilitating student social engagement. WIN has a very active Students' Association (WINSA).

At WIN, our key guiding principle is to always put students first. This is why our facilities, the timetabling of classes, subject content and even our industry engaged academic staff are all selected to ensure your success. Our student support services, both academic and personal, are first class and will help you to achieve your goals.

A WHILE SINCE YOU HAVE STUDIED?
 DIDN'T GET THE HSC RESULTS YOU WERE HOPING FOR?
 THE DIPLOMA OF BUSINESS IS YOUR PATHWAY INTO A
 BACHELOR'S DEGREE.

BACHELOR OF BUSINESS

CRICOS COURSE CODE: 084523M

COURSE OVERVIEW

The Bachelor of Business course provides students with a comprehensive foundation in the core concepts necessary to pursue a successful professional career in business, as well as the practical application of these concepts. Students have the option to take a broad course of study across the key areas of business practice, or to specialise in management, international business, marketing or human resource management (HRM). Students study in small classes which use a range of contemporary teaching methods including the use of practical case studies, simulations and applied projects.

The HRM Major has met the criteria for course accreditation and is currently accredited by the Australian Human Resources Institute (AHRI). Accreditation is reviewed every three years by the AHRI National Accreditation Committee.

Students applying for this course can be assured that the quality of core units map onto the AHRI Model of Excellence for HR Practitioners and Academics, a recognised benchmark of HR best practice and standards.

PROGRAM DESCRIPTION

The WIN Bachelor of Business degree is a quality program for the start of a dynamic and exciting business career. It is a flexible business degree which offers a wide range of study opportunities and subject choices, allowing you to construct a program of study that best meets your interests and future work plans. You can choose to specialise in Human Resource Management, Management, Marketing or International Business. Completion of this course prepares you for employment in local, national and international business, not-for-profit and government organizations.

Elective subjects focused on aspects of Interactive Media also means that graduates are well prepared for working in the creative industries including film, television and media fields.

BACHELOR OF INTERACTIVE MEDIA

CRICOS COURSE CODE: 074192G

COURSE OVERVIEW

The Bachelor of Interactive Media has been developed in alignment with WIN's educational philosophy, which strives to provide students with a comprehensive and flexible approach to evidenced-based theoretical and practical learning. The course is delivered through a combination of lectures and small group tutorials, seminars and studio work. Students will be involved in a variety of activities and projects to develop an understanding of design principles, their applications to real-world problems and contexts thus developing the knowledge and skills needed to become a Multimedia Specialist. During studio sessions students will be encouraged to integrate content and theory presented in all subjects through projects designed in consultation with industry partners.

PROGRAM DESCRIPTION

The Bachelor of Interactive Media provides a comprehensive foundation for the understanding and application of communication and design principles in multimedia in its variety of formats, from the traditional to the contemporary. It explores the history and development of communication as it exists today through conventional media such as print publications, film, television and video, to more contemporary and emergent technologies such as the internet with its multiple social communication and web application options. It also encompasses the learning and application of 2D and 3D software, and offers the exciting opportunity for cross-disciplinary study in areas such as Business and IT.

The course aims to enhance and actualise creative potential by refining the students' skills in critical and analytical thinking and by cultivating an understanding of the underpinnings of the professional applications of design principles in multimedia environments.

MASTER OF BUSINESS

CRICOS COURSE CODE: 093869K

COURSE OVERVIEW

The Master of Business degree program offered at the Wentworth Institute is focused on producing quality graduates with industry and job relevant knowledge and skills who are capable of assuming leadership and management roles. The Master of Business degree is of four semesters duration full-time and includes nested programs at Graduate Certificate (one semester full time) and Graduate Diploma (two semesters full time) levels.

A feature of these programs is the inclusion of a core Business Communication subject. This subject will not only help to ensure students' success throughout the course by developing needed written and oral communication skills but will also enhance graduates' employability.

The inclusion of a core Business Ethics subject will not only ensure students' appreciation of the importance of ethical decision-making in business but will also establish a guiding principal to be reinforced and applied in both subsequent studies as well as professional activities.

Another important feature of the Master of Business Degree program is the requirement to undertake a Business Project subject focused on developing students' needed research skills which will be demonstrated by the execution of a substantial piece of research in the form of a project.

PROGRAM DESCRIPTION

The Graduate Certificate in Business provides students with a broad foundation of knowledge and skills needed to work effectively in a business environment. This 40 credit point program consists of 4 core subjects to be undertaken in 26 weeks or half year full-time.

The Graduate Diploma in Business extends students knowledge as well as skills and provides the opportunity to develop a greater breadth of capability in a business environment. All students must complete a total of 80 credit points made up of 8 core subjects, 4 of which form the Graduate Certificate in Business. The absence of electives within the Graduate Diploma is aimed at ensuring that students acquire a broad range of knowledge across relevant business subjects. The course may be undertaken over 52 weeks or one year full-time.

The Master of Business develops the breadth and depth of students knowledge as well as both applied and conceptual skills to enable them to perform successfully in complex business environments. All students must complete a total of 160 credit points made up of 16 subjects, comprising 12 core subjects (120 credit points), 8 of which are from the Graduate Diploma in Business, plus a further 4 elective subjects (40 credit points) which may be drawn from a specialized stream in International Business or Creative Industries. The course is designed to be undertaken over 104 weeks or 2 years full-time.

	SUBJECT CODE	SUBJECT NAME
SEMESTER 1	MB114	Organisational Behaviour
	MP111	Accounting for Management Decisions
	MB112	Business Ethics
	MB111	Business communication

	MB363	Design Evaluation
	MB362	Deconstructing Social Media
	MB361	E-Business Design

ENTRY REQUIREMENT

Generally an undergraduate degree, although alternative pathways may be available on application. An additional entry requirement for international students is an IELTS overall band score of 6.5 or equivalent (with no band less than 6.0).

MASTER OF PROFESSIONAL ACCOUNTING

CRICOS COURSE CODE: 093866B

COURSE OVERVIEW

The Master of Professional Accounting offered at the Wentworth Institute provides students with the advanced knowledge and skills necessary to performing effectively at a leadership level in the field of professional accounting. The course is approved by the professional accrediting bodies, CPA Australia and Chartered Accountants Australia and New Zealand (CAANZ). The Master of Professional Accounting degree is of four semesters duration full-time and includes nested programs at Graduate Certificate (one semester full time) and Graduate Diploma (two semesters full time) levels.

A feature of these programs is the inclusion of a core Business Communication subject. This subject will not only help to ensure students' success throughout the course by developing needed written and oral communication skills but will also enhance graduates' employability. The inclusion of a core Business Ethics subject will not only ensure students' appreciation of the importance of ethical decision-making in business but will also establish a guiding principal to be reinforced and applied in both subsequent studies as well as professional activities.

Another important feature of the Master of Professional Accounting degree program is the requirement to undertake a Business Project subject focused on developing students' needed research skills which will be demonstrated by the execution of a substantial piece of research in the form of a project.

PROGRAM DESCRIPTION

The Graduate Certificate in Professional Accounting provides students with a foundation of knowledge of accounting and related areas of business as well as important skills in business communication. This 40 credit point program consists of 4 core subjects to be undertaken in 26 weeks or half year full-time.

The Graduate Diploma in Professional Accounting extends students' knowledge as well as skills and provides the opportunity to develop a greater breadth of capability in accounting and related areas of business. All students must complete a total of 80 credit points made up of 8 core subjects, 4 of which form the Graduate Certificate in Professional Accounting, which may be undertaken over 52 weeks or one year full-time.

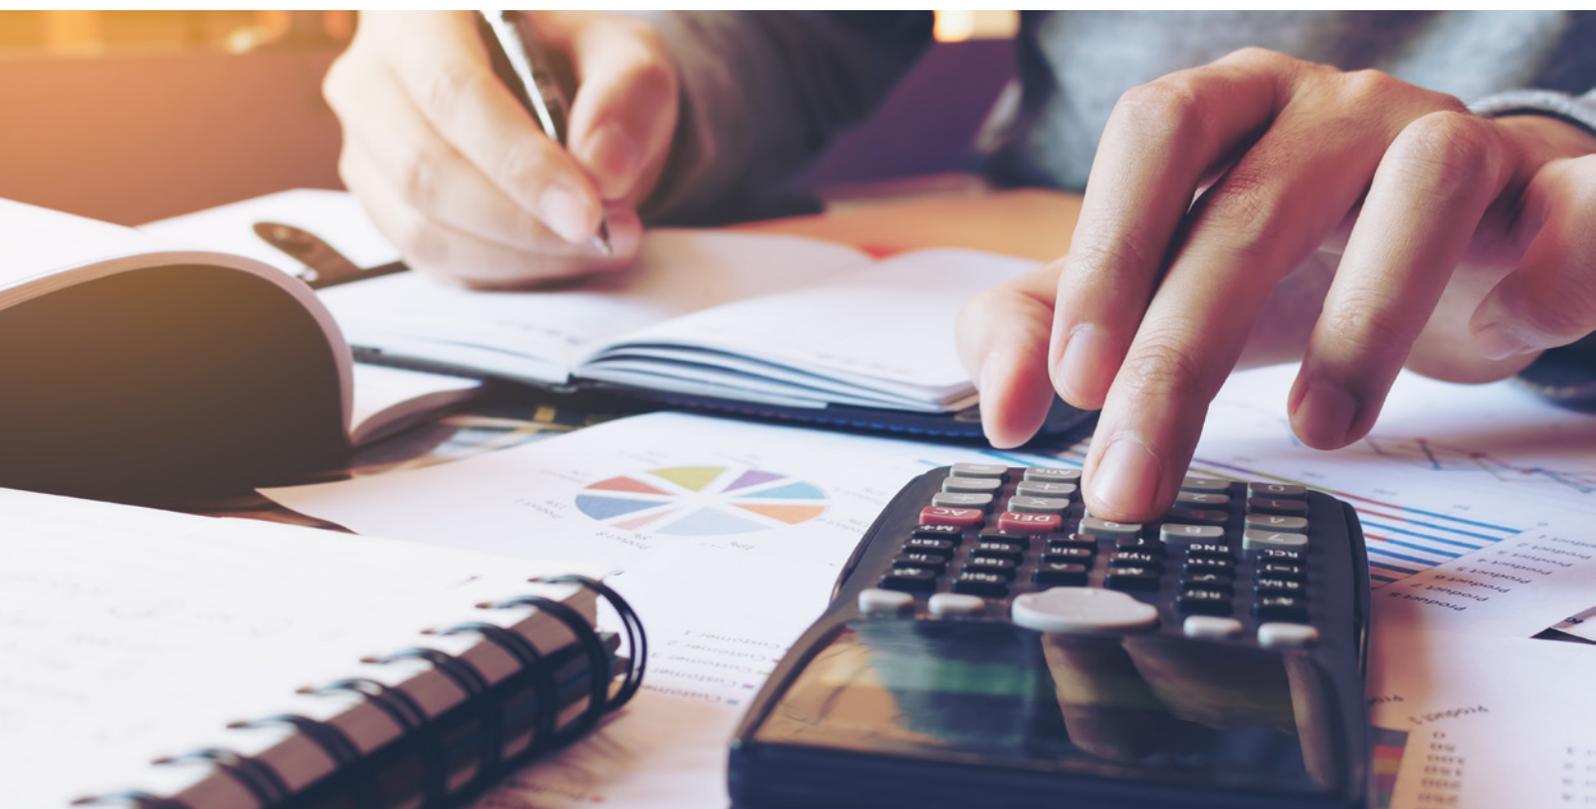

The Master of Professional Accounting provides students with the necessary skills and knowledge required for a career in professional accounting. This course satisfies the academic requirements for entry into the professional programs of CPA Australia and Chartered Accountants Australia and New Zealand (CAANZ).

All students must complete a total of 160 credit points made up of 16 subjects, comprising 12 core subjects (120 credit points), 8 of which are from the Graduate Diploma in Professional Accounting. The course is designed to be undertaken over 104 weeks or 2 years full-time.

ADMISSION CRITERIA

Australian Year 12 students

Students who have completed an Australian Year 12 or equivalent will be considered for entry into undergraduate courses.

Wentworth Institute recognises that previous academic success is only one indicator of suitability for admission into a course and therefore all students will be interviewed to assess suitability for admission into their chosen program of study.

APPLICANTS WITH HIGHER EDUCATION STUDY

Students who have successfully undertaken an undergraduate degree (or equivalent) at a recognised institution will be considered for admission into postgraduate programs. For more information, visit www.win.edu.au/win_hiedu/admission-criteria/.

ABORIGINAL AND TORRES STRAIT ISLAND PEOPLE

Wentworth Institute is committed to providing higher education pathways for Aboriginal and Torres Strait Islander students. Aboriginal and Torres Strait Islanders who do not have an Australian Year 12 or equivalent may apply to study at Wentworth Institute through a pathway program.

In addition, Wentworth Institute has scholarships available specifically for Aboriginal and Torres Strait

ADVANCED STANDING

Wentworth Institute will recognise prior learning, and grant credit for that learning, provided it is relevant, current and equivalent to the learning required for Wentworth Institute's academic programs and courses, and in accordance with the Advanced Standing and Credit Transfer Policy and Procedure. For more information, visit www.win.edu.au/win_hiedu/how-to-apply/.

FEES AND CHARGES

Your course costs will depend on the type of course you enrol in. Tuition fees at the Wentworth Institute are affordable and competitively priced. For more information on fees, visit www.win.edu.au/win_hiedu/ or call (02) 8252 9999.

FINANCIAL ASSISTANCE

All eligible Australian students enrolled in an approved course at Wentworth Institute have access to FEE-HELP. For full details concerning eligibility requirements, visit www.studyassist.gov.au/help-loans/fee-help.

ADDITIONAL IMPORTANT INFORMATION

SCHOLARSHIPS

Our domestic undergraduate scholarships are available to a wide cohort of students, whether you are a high achiever or have faced challenges in your schooling.

- Merit scholarships are available to anyone who achieves an excellent ATAR.
- Equity scholarships are for high-achieving students who have faced significant challenges: financial, medical or disability issues, refugee status, or have come from a rural area.

There are also scholarships specifically for Aboriginal and Torres Strait Islander people.

STUDENT AND CAMPUS SERVICES

Wentworth Institute offers a range of student support services and experiences. These include counselling, academic assistance and learning support, career advice and social activities, including an active Students' Association.

For more information on student and campus services, visit www.win.edu.au/win_hiedu/.

STUDENT PROLE

For information on Wentworth Institute's latest undergraduate cohort, read 'Student Prole' at www.win.edu.au/win_hiedu/admission-criteria/.
